

MARTA CHILD RIDERSHIP POLICY

In order for MARTA to provide safe transportation for children the following policy will be adhered to.

Children may ride the MARTA Fixed Route service unaccompanied at age 10. Children under the age of 10 must be accompanied by a responsible adult, child (14+) or have written permission on file with MARTA to ride, signed by the child's parent/guardian. A responsible adult must be present at the drop-off destination. If no one is at the drop-off destination to receive the child, the proper authority will be contacted.

Children may ride the MARTA Dial-a-Ride service unaccompanied at age 8. Children under age 8 may ride the MARTA Dial-a-Ride service unaccompanied provided a responsible adult is present at the drop-off destination. Again, if no one is at the drop-off destination to receive the child, the proper authority will be contacted.

Children 5 and under may ride any MARTA service free when accompanied by a fare paying rider (limit 3 children per rider). Additional children ride at the reduced rate of 25¢ per child.
